Junior Php Dev

About me: My name is Kira Yoshikage. I am 33 years old. My house is located in the northeastern part of Morioh, where all the villas are located. I am single. I work at Kame Yu department store and get home no later than 8pm. I don't smoke, but I drink sometimes. I go to bed at 11pm and make sure I get exactly eight hours of sleep no matter what. After drinking a glass of warm milk and stretching for twenty minutes before bedtime, I usually sleep without problems until the morning. Like a child, I wake up in the morning without any fatigue and stress. At my last check-up, I was told that I had no health problems. I try to convey that I am an ordinary person who wants to live a calm life. I take care not to bother myself with any enemies - victories and defeats that might disturb my sleep. This is how I relate to society, and I know that it brings me happiness. Although, if I had to fight, I would not lose to anyone.
